President's Message

March 2016

We had an excellent February meeting at the New England Air Museum adjacent to Bradley International Airport. Approximately 20 CCR members and guests enjoyed a very detailed and interesting guided tour by Roger Van Dyke, a retired pilot who flew a Douglas A4D-1 Skyhawk like the one on display and has several hundred aircraft carrier landings to his credit in this plane.

Our next meeting will be on Thursday March 17th at 6:00 PM at Enfield Auto Restoration in Enfield, CT. Here you will see vehicles made by Rolls Royce, Pierce Arrow and other high end manufacturers being restored to the highest concours standards for display at some of the best venues in the country. Many thanks to Dan Fine for arranging this meeting.

Our Spring Banquet will be held on Saturday April 16th at Violi's Restaurant in Meriden, the same location as our 2014 banquet. Great location and great food! The menu and reservation form is included in this issue. Mail in your reservation now to take advantage of the club subsidized price.

Winter is almost gone and the car show season is quickly approaching. Your CCR Car Show Committee made up of Bob Hand, Fred Glabau, Nick Nesci, Ray Yirga, Jack Gasper and Travis Cook met for the first time in early February to plan our 42nd Annual Auto and Truck Meet to be held in Glastonbury on June 12th. As always, we need your help in two important areas to make this show a success. First, put June 12th on your calendar and plan to spend your day helping out at the show and enjoying the pizza party afterward. Secondly, it is critical that we all sell ads for the show book to make the show a financial success for the club. Remember, this makes activities possible during the year and also helps to support our charities. The ad form is printed in this Distributor for your convenience. Also, each year we feature a member's car on the cover of the ad book and on the dash plaques. This year will feature George Scheyd's 1957 Ford Retractable. Please let me know if you would like to be featured in the future. It requires a few good photos, a short story describing your car and its history and putting the car on display at our show in June.

We will try to publish information on shows and events that may be of interest to our members. While many of these will not be CCR sponsored events, they are an opportunity for members to get together and travel to the event and spend the day together. We may also have a club driving event in the fall to some of the scenic areas in Connecticut. It's in the planning stages and we'll see what develops.

The position of Club Historian is also open and is an opportunity for someone to step up and fill this important and interesting job. Please let me know if you would be interested.

**Our next meeting will be: Thursday March 17, 2016 at 6:00 PM
Enfield Auto Restoration
4 Print Shop Road
Enfield, CT 06062**

Until next time – safe motoring!
