President's Message**January 2018**

Happy New Year to all CCR-AACA members! I am pleased to have been elected as your president at our election of officers meeting last month. Unfortunately, it is going to be a short term assignment due to pressing personal commitments. I have agreed to fill in as president for a few months or until someone else steps up to this important job. Please let me know if you might be interested.

It is with sadness that I inform you of the passing of CCR member Joel Pear in December. Joel was a long-time member of our club and was a board member and very active in our club activities. He owned several antique automobiles but was most often seen with his beautiful yellow and white 1958 Ford retractable. Joel and Betty traveled the country with this car and were often seen at local shows and cruise nights. We will miss you Joel.

Travis Cook, President

The Valley Collector Car Club of Simsbury has invited us to participate in their movie night on January 11, 2018 at the Old Mill Tavern in Simsbury. Several of us attended this last year and had a great time. The invitation from VCCC president Rich Dabrowski follows:

VCCC Movie Night!

We will be holding another exciting movie night at the Old Well on Thursday January 11th. We plan to start setting things up around 5PM and get the movies on by 6. As always, you can order dinner and libations if you wish. Come when you can, stay as long as you wish.

A good time was had by all when we held this event last year; It's a great way for us to keep the camaraderie going during the winter months. Plan to join us on the 11th!

The feature hasn't been selected yet so if you have something you would like to see, let us know.

Many thanks go out to Steve Reed for putting this event together!

Please renew your CCR membership for 2018. The form is included in this Distributor.

We have 3 openings on the Board of Directors. We would like to have some new members with new ideas join the board and help guide the club into the future. We also need to fill the position of club historian. Also, as you may have heard, Bob Hand is retiring as car show chairman after 20 years and we need someone, or even a small committee, to fill this important position. Please contact me, or any board member, if you are interested in any of the open positions.

Our calendar is looking a bit empty for 2018 so please let me know if you have a suggestion for a meeting place.

Next Meeting: VCCC Movie Night
Thursday January 11, 2018
5:00 to 8:00 PM
The Old Well Tavern
20 Tariffville Road
Simsbury, CT 06070

Until next time – safe motoring!

**Central Connecticut Region AACA
Board of Directors Meeting
December 5, 2017, 7:00 PM
Fox Laminating, West Hartford**

Secretary's report was read and accepted

Treasurer's report was read and accepted

The following members attended the December meeting:

Paul Bosco, Fred Glabau, Jim Finnance, Ray Yirga,
Bob Hand, John Bieback, Travis Cook

Old Business

We spent the meeting discussing the meet. What we liked, what we did not like. We realized that changes will have to be made if we want to continue having a show. Every year we are losing club members for one reason or another. People lose interest, members die, and we are not getting any young blood into our organization. The board is always looking for new ideas from the membership. We also have a number of openings on the board. We need members from the organization to step forward and contribute some time and effort.

New Business

As you know by now, Bob Hand is retiring as Show Chairman. Most of the board members have served in one capacity or another. We need new blood. Travis Cook will be President in 2018. We have been a Region of AACA for 43 years. If the members want to see the region continue people have to step forward and participate. As Secretary, I have to apologize if these minutes are a little winded. But everything in the minutes have been talked about at the board meetings many times.

Meeting adjourned at 8:00 p.m.

Paul C. Bosco, Secretary

Please note: The next board meeting will be at Fox Laminating on Tuesday February 6th, 7:00 p.m.
There will not be a January meeting.

OUR MEMBERS

Many of you remember CCR member John Aucoin who passed away a few of years ago. John and his father-in-law, Don Johnson, also a CCR member and deceased, restored a 1930 Marquette and enjoyed it for many years. Recently I received the following email from the gentleman who purchased the car a while ago. Hopefully someone can help with Peter's request for photos. Thank you.

On Dec 12, 2017, at 10:38 PM, Peter Amabile <thecalhoon1975@gmail.com> wrote:

Hi Bob,

I am the owner of John Aucoin's 1930 Marquette. I had once owned it in 1969 and got it back after 44 years. Do you know if any of the members ever had any pictures of the car in a show?

Would love to copy them. The car is now with me in Florida. She is back on the road. I think of John and his father-in law all the time I drive it. Thank you for any reply, God Bless.
